Cork GAA Championship Proposals 2020

A Chara,

A Cork County Board meeting was held last Tues 2nd April where votes on the 2020 championship proposals took place.

The results were as follow:

Option A (April and August) - 136 Votes

Option B (August only) - 33 Votes

Option C (Summer games) - 52 Vote

Option 1 (98 votes)

Option 2 (118 votes)

What does this mean going forward...?

2020 Intermediate Grading

1. The 2019 7 quarter finalists will remain in the Intermediate A championship.
2. 5 places will go to teams ranked highest based on championship performances over the last four years. Currently we are ranked 8th.

Transition to 48 teams

In order to reach the required number of 48 teams, transition will be required from the current numbers. In order to achieve this, a Lower Hurling Intermediate 5th grade will be put in place with 12 teams for a period of two years 2020 and 2021.

At the end of 2021 these additional teams in the 5th grade will be regraded to Junior A. This two year period will also allow a review of Junior championships to take place.

Relegation

At end 2019, with the County Junior A champions being promoted, there will be 62 teams in hurling. Therefore, the bottom two teams in Intermediate hurling in 2019 will be relegated to Junior A for 2020.

At the end of 2020 two teams relegated from Intermediate A (4th grade) to Lower Intermediate (5th grade).

At the end of 2021 two teams will be relegated from the Intermediate A grade (4th grade) to Junior A, along with the remaining eleven teams in Lower Intermediate (5th grade).
