## Congress Report

Congress took place on 21<sup>st</sup> February in Croke Park. One of the motions which attracted the most attention ahead of Congress was Motion 58, known informally as the 'Anthony Nash' motion, relating to the taking of penalty, free and sideline pucks. However, this motion was removed from the clár on Friday evening at Day 1 of Congress, with the GAA confirming that Central Council would provide an interpretation of the existing rule in due course. ## Scór 2013/14

The club entered all three sections of **Scór**.

**Scór na nÓg** : In the Carbery round in Rossmore, the Instrumental section had Calum and Eoin O'Donnell performing and they did extremely well to finish in 2nd place. The quiz team of Dylan Twohig, Evan O'Donovan, Sam Shorten and Philip Wall came third with 15 marks, the winning score was 17 marks!

**Scór na bPáistí** : The club took part in the Instrumental section (two entries) and the Ballad Group section. In the Instrumental section, Kilbrittain 'Hurling' club were represented by Emily Bergin, Elaine Butler, Aoife Ahern, Mary Butler and Sean Ahern. Kilbrittain 'Football' Club were represented by Jessica Considine, Katie Murphy, Ellen Murphy, Fionnuala Gillian and Etaine Coughlan. The Ballad Group consisted of Ellen Murphy, Kate Murphy and Fionnuala Gillian. While all performed well on the day unfortunately we were not successful.

**Scór Sinsear**: The Kilbrittain team of Oliver O'Brien, Denis O'Brien, Mary Brennan, and John Dollard were up against some very seasoned Scór quiz campaigners. The new 'table quiz' format attracted more clubs than previous years and Millstreet emerged the winners.

While this marks the end of Scór for the 2013/14 season, it won't mark the end of Scór for the club. We look forward to the end of the year when it all starts again. Hopefully all who took part in the various competitions during the past few weeks will participate again next season and in the future. A big thank you to our *Cultural Officer* Noreen O'Brien for her enthusiasm and patience during the year.
